## EDITORIAL CONTENT

### Timely, Practical and Relevant

*SUCCESS* is the magazine meeting the growing demand from entrepreneurs and home-based and small-business owners seeking information to achieve greater success in business and in life. Each issue contains practical advice, ideas, tips and training on leadership, goal-setting, time-management, selling, motivation and much more. Renowned authors, experts and thought leaders provide timely and relevant information to enhance your business, relationships, wealth and well-being.

#### SUCCESS IS...**BUSINESS.**

*SUCCESS* features information, tools and tactics from experts to help achievers in all levels of business, from home-based start-ups to senior-level management. *SUCCESS* delivers practical tips and hands-on advice for improving sales, making better presentations, developing leadership skills and goal-setting, as well as spotlighting success stories from key business leaders.

#### SUCCESS IS...**WEALTH.**

Financial resources are the cornerstone of every business. *SUCCESS* works with leading financial advisors to show readers how to build wealth and protect it. Making the most of investing and saving is also vital, since what one does today secures the future. Topics include finances, investing and real estate, as well as avoiding the debt trap.

#### SUCCESS IS...**RELATIONSHIPS.**

Knowing how to make the most of quality time with others is essential. Positive relationships are fundamental to success, whether in business, marriage, parenting or with friends and peers. *SUCCESS* presents authorities who offer guidance for dealing with people and improving relationships in all facets of life.

#### SUCCESS IS...**WELL-BEING.**

You can have all the trappings of success and not be or feel successful. Life balance and total wellness are important for a healthy body, mind and spirit. *SUCCESS* taps into the knowledge of wellness professionals to offer help in carving out time for self, family, friends and daily reflection.

#### SUCCESS IS...**MAKING A DIFFERENCE.**

Part of the embodiment of success is being able to share with others and give back to your community. *SUCCESS* highlights role models who inspire others to give time, talent and money to assist those in need and improve the world around them.
